

Draw A Penguin

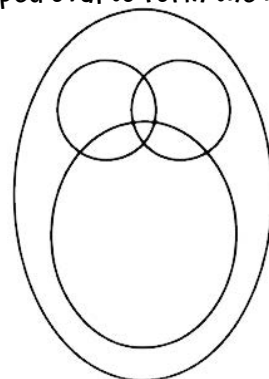

Step 1
Draw a big oval, like an egg

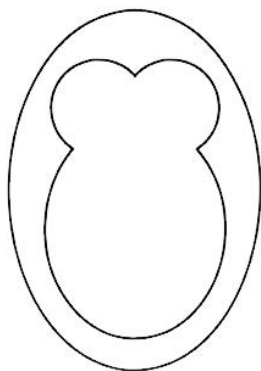

Step 2
Draw another oval inside the first one.

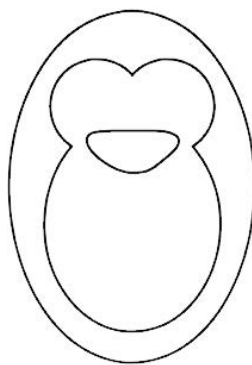

Step 3
Draw two small circles interlinking each other on the top of the smaller shaped oval to form the head.

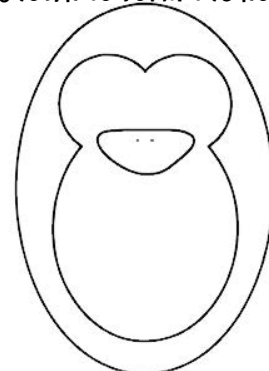

Step 4
Erase all the inner lines to make it look like this.

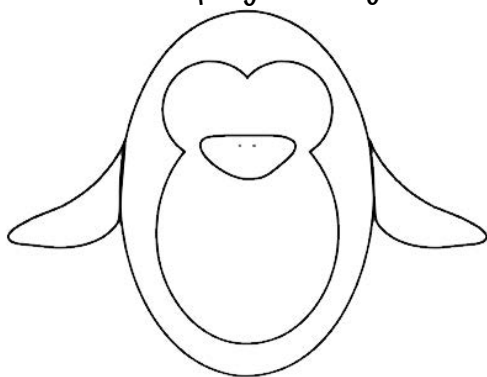

Step 5
Draw an elongated triangle facing downwards in the middle as shown

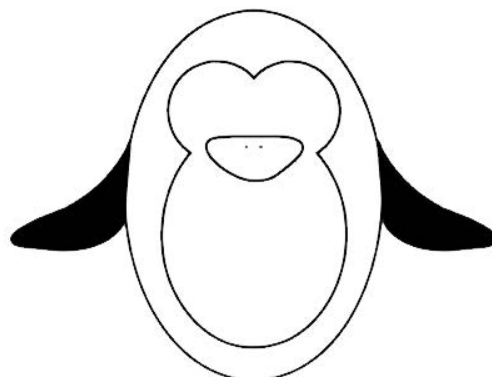

Step 6
Put two dots on the triangle as shown to form the nose.

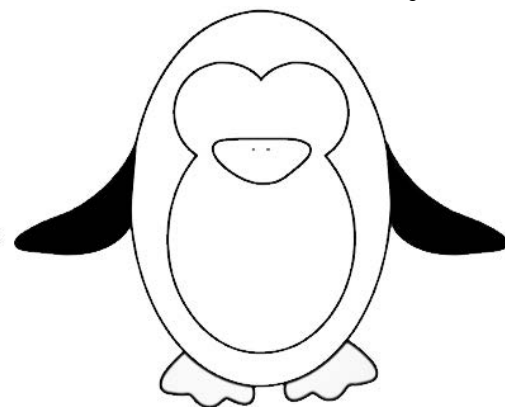

Step 7
Draw wings on the sides of the penguin's body.

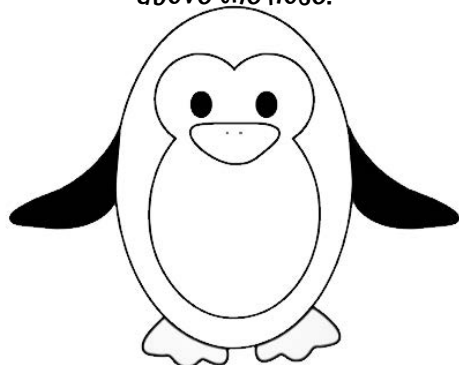

Step 8
Make the wings black.

Step 9
Draw some feet on the penguin.

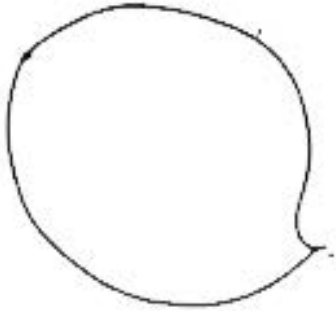

Step 10
Draw two dark round circles above the nose.

**WELL DONE!
YOUR PENGUIN IS
COMPLETE**

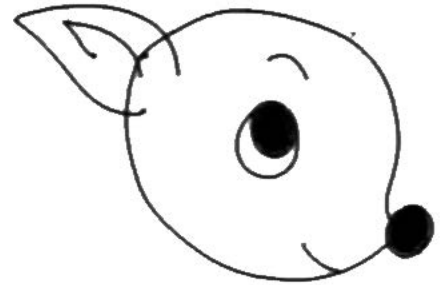

Draw a Deer

Step 1
Draw a speech bubble shape.

Step 2
Inside the shape, draw an oval and fill a small bit. Draw another small oval on right and colour it. Draw 2 tiny curves, one on top of the eye and another above the eye.

Step 3
On left top, draw a leaf shaped ear.

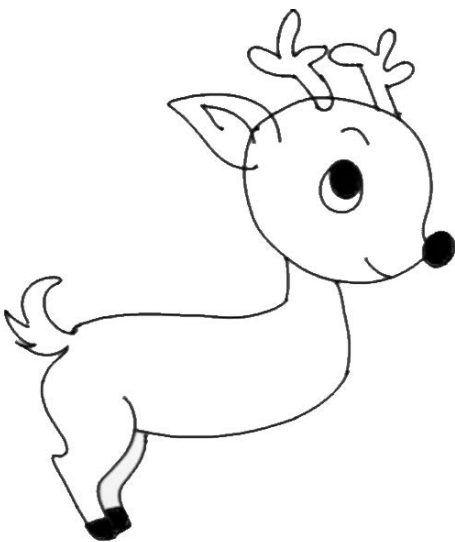

Step 4
Now draw 2 small branches, on top of the head.

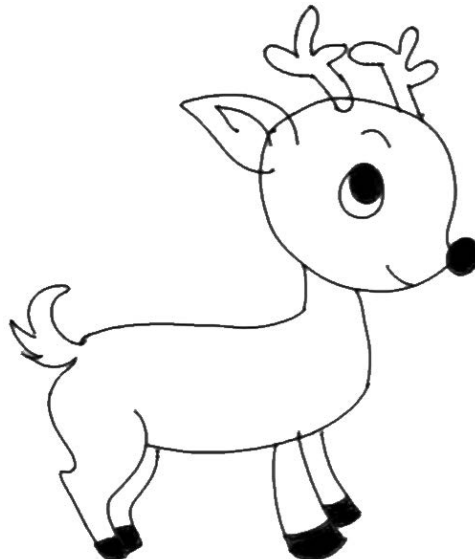

Step 5
Below the head, draw 2 inverted "L" shapes, leaving a small gap.

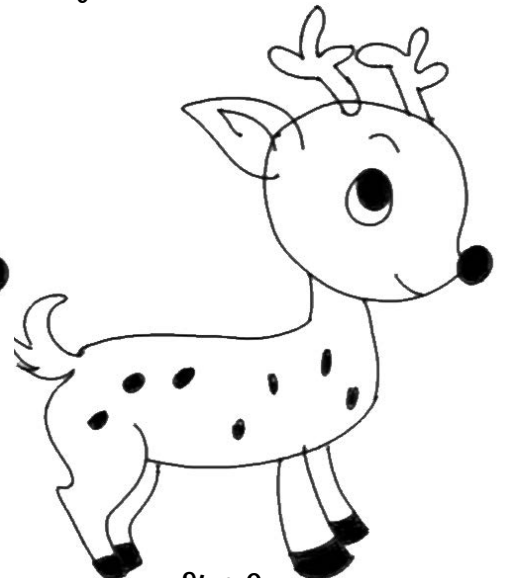

Step 6
On right side of the first "L", draw a simple curve and a zig-zag curve and connect it with a tiny curve. This is a tail for the deer.

Step 7
Below the tail, draw 2 legs as shown above.

Step 8
Draw another 2 legs.

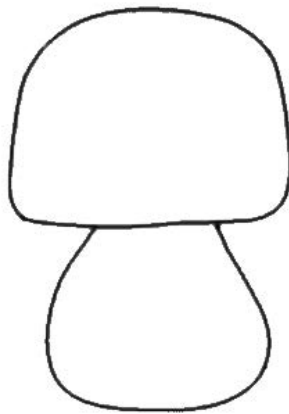

Step 9
Finally, draw spots on the deer's body.

HOORAY - YOU HAVE DRAWN A CUTE DEER!

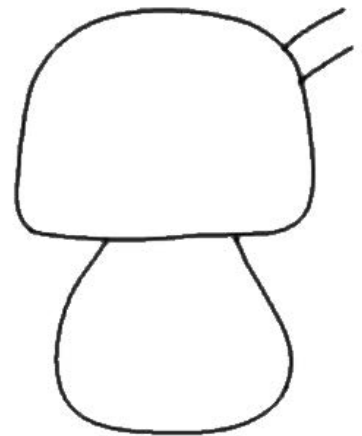

Draw a Rabbit

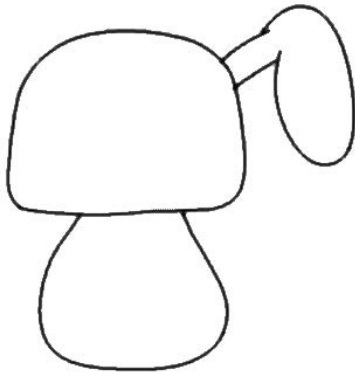

Step 1
Draw a rectangle with the top half curved.

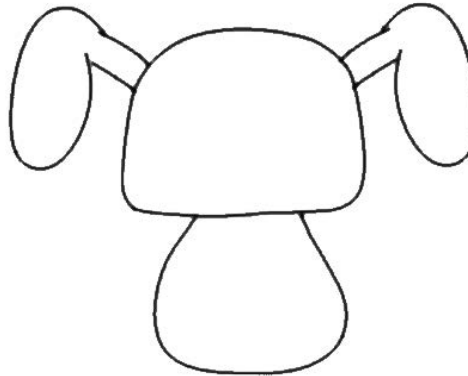

Step 2
Below the rectangle, draw a oval.

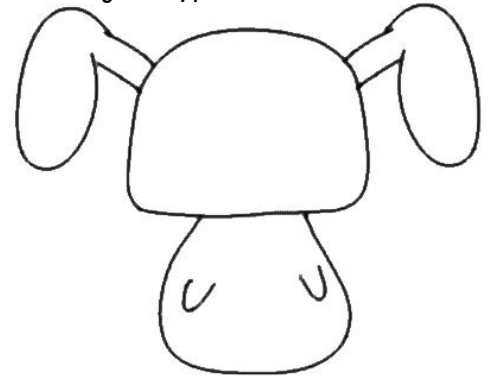

Step 3
On right top, draw 2 small lines.

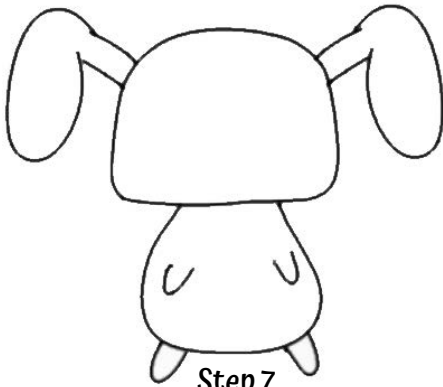

Step 4
Now connecting the 2 lines, draw an oval shape. This is the right ear.

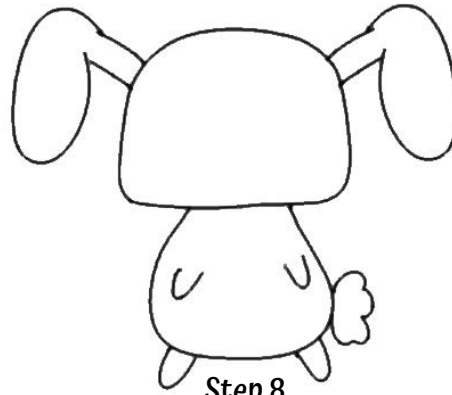

Step 5
Repeat step 4 to draw the left ear.

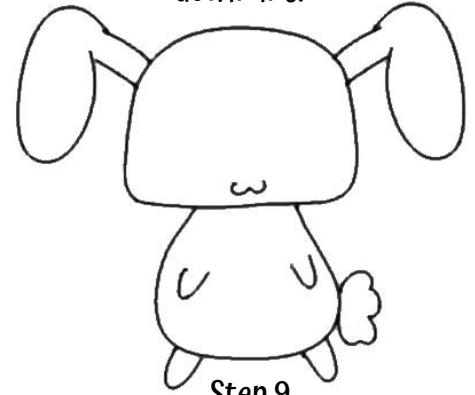

Step 6
Inside the body, draw 2 tiny upside down "n"s.

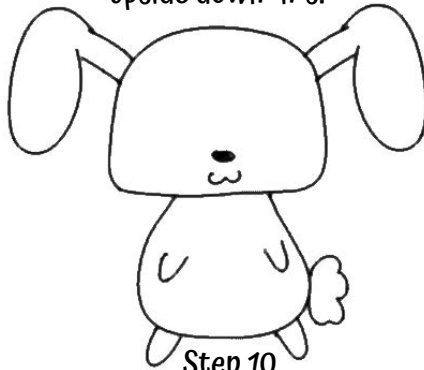

Step 7
Below the oval, draw another pair of upside down "n"s.

Step 8
On right bottom, draw zig-zag curves. This is the tail.

Step 9
Inside the head, draw a small "w".

Step 10
Above the "w", draw a small oval and fill it.

Step 11
Above the oval, draw 2 small circles and fill them.

**WOW!
YOU'VE
DRAWN A
FANTASTIC
BUNNY!**
